

Simple and Efficient Time and Attendance Solution

KelioPrima

Providing a Complete View of Your Time Management

Kelio Prima adapts to your working rules and is especially suitable for handling flexi-time and other working patterns within your organisation.

- Individual employee records
- Clocking management
- Multiple schedule control
- Overtime calculation
- Night, weekend and public holiday working
- Absence management: totals and balances
- Break monitoring
- Anomaly management and event log

An Open and Modular Solution

Optional:

- Interface with over 100 payroll software applications (Sage, Pegasus, etc.)
- Personal workspace: absence requests, absence validation, virtual clocking mode
- Access control
- Analytical activity time monitoring

Simple Implementation for Your Technical Environment

Technical architecture

Kelio Prima is designed on a web architecture. It can be accessed via a web browser under Windows® 2000, 2003, XP or Vista.
